

**Statement of the Czech Republic – Matters pertaining to the Secretariat –
CSP11**

Mr. President, the Czech Republic aligns itself with the statement delivered by the European Union.

We would like to add some remarks in our national capacity:

The Czech Republic appreciates the work undertaken by the Management Committee during this working cycle. We support the view that the revised ATT Programme of Work proved its added value during the trial period.

We support conclusions and recommendations included in the Management Committee Assessment and its endorsement by this conference.

Thank you.
