SUMMARY

Project title	ATT Sponsorship Programme for the Twelfth Conference of States Parties to the Arms Trade Treaty
Main objective	Enable the participation by eligible States in the Twelfth Conference of States Parties to the Arms Trade Treaty, including: - the Working Groups Meetings - the Twelfth Conference of States Parties to the Arms Trade Treaty in Geneva (24-28 August 2026)
Project duration	November 2025 – August 2026
Estimated budget	USD 198'396.00

BACKGROUND

The Arms Trade Treaty (ATT) was adopted by UN member States in April 2013 and entered into force on 24 December 2014. The aim of the Treaty is to regulate the international trade in conventional arms and to prevent and eradicate the illicit trade in conventional arms and prevent their diversion. To date there are 117 States Parties to the Treaty, 25 States that have signed the Treaty but not yet ratified the Treaty (Signatory States), and 53 States that have not yet joined the Treaty.

The ATT process involves an annual cycle whereby a Conference of States Parties (CSP) is held each year, and informal preparatory meetings are held in the intersessional period between the CSPs to facilitate the Conference deliberations and outcome. Four subsidiary bodies have been established to carry forward the substantive work involved in the implementation and universalization of the Treaty – the Working Group on Effective Treaty Implementation (WGETI), the Working Group on Transparency and Reporting (WGTR), the Working Group on Treaty Universalization (WGTU) and the Diversion Information Exchange Forum (DIEF). The Working Groups hold their meetings in conjunction with the informal preparatory meetings of CSPs.

The ATT Secretariat was established under Article 18 of the Treaty to assist States Parties in the implementation of the Treaty and support the Treaty process. The ATT Secretariat is based in Geneva, Switzerland. The ATT Secretariat is also tasked with administering a sponsorship programme to enable delegates from States listed by OECD DAC as ODA recipients (as well as small economy States, including but not limited to small island states, not listed on the OECD-DAC list) to attend ATT meetings.¹

¹ See paragraph 34 of the Final Report of CSP4 held from 20-24 August 2018 ([ATT/CSP4/2018/SEC/369/Conf.FinRep.Rev1](#)) and Annex A to the Administrative Guidelines governing the ATT Sponsorship Programme (which form Annex A to the Report on the ATT Sponsorship Programme for the Period 2018/2019 ([ATT/CSP5/2019/SEC/530/SponProgRep](#))).

AIM OF PROPOSAL

The aim of this funding proposal is to request voluntary financial contributions to facilitate the continued administration of the sponsorship programme by the ATT Secretariat. The proposal includes a description of the programme the ATT Secretariat has established, the ATT Secretariat's plans for managing it, the proposed budget, and the details of how to make a voluntary contribution.

PROJECT GOAL

The overall goal of the project is to maximize the scale and diversity of participation in ATT meetings to ensure a representative and participatory process during the meetings and, ultimately, contribute to strengthening implementation and universalization of the Treaty. A secondary aim is to build the capacity of delegates on ATT-related issues with a view to enabling them to become 'ATT advocates' in their countries and regions.

Through the sponsorship programme, participation by a broad and diverse range of State delegates ensures that all States Parties can take part in decision-making, engage in substantive discussions on Treaty implementation, and contribute to the successful universalization of the Treaty.; it also helps Signatory States build their capacity to ratify the Treaty and access information on international assistance that is available, while supporting non-States Parties in understanding the implications and benefits of joining the Treaty.

PROJECT DESCRIPTION

ELIGIBILITY²

With respect to the eligibility of States, all States listed by OECD DAC as [ODA recipients](#) (see Annex A) as well as small economy States, including but not limited to small island states, not listed on the OECD-DAC list, are eligible to apply to the ATT sponsorship programme. The application for sponsorship I requires the submission of an application form as well as a *Note Verbale* issued by the State making the application.

SELECTION PROCESS

² The ATT sponsorship programme is limited to States. Donors who are interested in funding the participation of regional organizations, non-governmental organizations (NGOs) and civil society in the ATT process are encouraged to contact the regional organizations and/or the NGO community directly.

Applicants to the ATT sponsorship programme will be selected based on the Administrative Guidelines governing the ATT Sponsorship Programme (Annex A), which were adopted by the Fifth Conference of States Parties (CSP5) in August 2019 (see footnote 1) and which form Annex B to this proposal.

The selection criteria of the Administrative Guidelines specifies that the following considerations shall apply to the selection of representatives from States (see Annex B for full details):

- Equitable regional representation considerations;
- Gender equality considerations, taking efforts to ensure the overall equal representation of women and men in ATT meetings;
- ATT Status (i.e. whether the applicant is a State Party, Signatory State, or a State that has not yet joined the Treaty), with due regard for ATT implementation and universalization priorities as determined by CSPs; and
- Expertise and role of applicant, including whether the applicant State is a member or office-holder of any committee or subsidiary body.

Following the application of the selection criteria to applicants, the ATT Secretariat shall draft a shortlist of eligible applicants for sponsorship for each meeting where funds are available and shall circulate the shortlist to States that have contributed to the programme ('donors to the ATT sponsorship programme'). Subject to any input from a donor or donors to the ATT sponsorship programme, the ATT Secretariat shall decide on the applicants to be sponsored for each ATT meeting where sponsorship funds are available, based on the shortlist.

SPONSORSHIP

The ATT Secretariat will provide the following services to sponsored delegates:

- A return economy air ticket (most direct and economic route with arrival and departure in reference to conference/meeting dates)
- Travel insurance
- Accommodation inclusive of breakfast and taxes
- Allowances (per diems) for expenses to sponsored delegates (adjusted to take into account any meals provided by the host)
- Terminal allowances (for ground transportation) to sponsored delegates for travel to and from the airport in their home country
- Terminal allowances (for ground transportation) to sponsored delegates where a meeting or Conference of States Parties is taking place in a city other than Geneva
- Other reasonable expenses, such as visa fees, and airport taxes required for travel to and from meetings, upon submission of receipts

- If needed, providing a letter in support of a delegate's visa application

In addition, the ATT Secretariat plans to hold a 'briefing day' for sponsored delegates in advance of the preparatory meetings to raise their understanding and awareness of the issues to be addressed at the upcoming meeting, build their knowledge and capacity on ATT-related issues, and conduct outreach regarding the ATT Voluntary Trust Fund (VTF), with a view to: a) enabling them to become advocates for ATT outreach and awareness raising in their own countries and regions; b) encouraging and assisting sponsored delegates' States to apply for VTF funding; and c) building their capacity to participate in meetings and convey meeting outcomes to their constituents in capital.

ACCOUNTING AND REPORTING

The ATT Secretariat will request all sponsored delegates to complete a survey at the end of their sponsorship to provide feedback on the accessibility and efficacy of the ATT sponsorship programme. This will enable the ATT Secretariat to address any shortcomings in the design and administration of the ATT sponsorship programme and continue to make improvements in the longer-term operations of the ATT sponsorship programme. In previous cycles, the ATT Secretariat circulated such a survey to sponsored delegates who attended ATT meetings to seek their feedback on the sponsorship programme. The overwhelming majority of sponsored delegates that completed the survey were more than satisfied with the administrative support provided by the ATT Secretariat, including the application process, the logistical information provided to delegates, support for visa applications, and overall level of support and organization prior to and during the meetings.

The ATT Secretariat also wishes to review the Allowance (per Diems) provided to sponsored delegates to ensure that it remains aligned with current economic conditions, including evolving cost structures and price increases over recent years. The current DSA rates no longer fully reflect the actual expenses incurred during participation in ATT meetings. Updating these rates would help maintain the relevance and adequacy of the support offered to delegates.

All activities of the ATT sponsorship programme are subject to the annual audit process of the ATT Secretariat conducted in accordance with the ATT Financial Rules. The ATT Secretariat has established a separate bank account dedicated to the sponsorship programme to facilitate transparency in the accounting and auditing of the sponsorship programme.

The ATT Secretariat will report on the status and implementation of the ATT sponsorship programme at the Conference of States Parties and the report will be made publicly available on the ATT website. The report for the Period 2024/2025 submitted to CSP11 is available in English, Arabic, French, Russian and Spanish here: <https://www.thearmstradetreaty.org/conference-documents-CSP11>(under "ATT Secretariat").

BUDGET ESTIMATE

The total budget estimate for the ATT Sponsorship Programme for CSP12 is **USD 198'396**, which allows for twenty (20) sponsored delegates attending the preparatory meeting and twenty (20) sponsored delegates attending the Conference in August 2026. A detailed breakdown of associated costs is included in Annex C.

ADMINISTRATION

Up to eight percent (8%) of sponsorship funds will be allocated to the administration of the ATT Sponsorship Programme. These funds will be committed to, *inter alia*, advertising the sponsorship programme, procuring services associated with the sponsorship programme including the engagement of a travel agency, hiring additional (temporary) staff to assist sponsored delegates with their participation in meetings, and communication costs associated with the sponsorship programme.

BANK ACCOUNT FOR CONTRIBUTIONS

The ATT Secretariat has established a separate bank account dedicated to the sponsorship programme to facilitate transparency in the accounting and auditing of the sponsorship programme. The details of the bank account are as follows:

Eligibility Criteria

1. States may apply for sponsorship to attend an ATT meeting.
2. Applicants must fulfil all the application requirements developed in accordance with the Guidelines in order to be eligible for sponsorship.
3. Applicants must ensure that any sponsorship funding received from the ATT sponsorship programme does not duplicate funding received from other sources. In case of violation of this principle, future sponsorship may be withdrawn for up to two years.

Selection Criteria

1. The following considerations shall apply to the selection of representatives from States on the OECD-DAC list as ODA recipients (as well as small economy States, including but not limited to small island states, not listed on the OECD-DAC list):
 - Equitable regional representation considerations;
 - Gender equality considerations, taking efforts to ensure the overall equal representation of women and men in ATT meetings;
 - ATT Status (i.e. whether the applicant is a State Party, Signatory State, or a State that has not yet joined the Treaty), with due regard for ATT implementation and universalization priorities as determined by CSPs; and
 - Expertise and role of applicant, including whether the applicant State is a member or office-holder of any committee or subsidiary body.
2. If there are insufficient funds available to sponsor all the applicants that are eligible to be selected for sponsorship following the application of the above considerations, priority will be given to applicants from States who are in compliance with their financial obligations under the ATT.

This protocol establishes guidelines for the determination of the financial entitlements of sponsored delegates.
