Commented [ATTS3]: MEXICO: Has proposed that the ATT Secretariat should decide on the selection of applicants to be sponsored on a ‘first come, first served’ basis, and that the Management Committee should not play a role in the selection of delegates for sponsorship.

---

1 These funds will be committed to, inter alia, advertising the sponsorship programme, procuring services associated with the sponsorship programme including the engagement of a travel agency, hiring additional (temporary) staff to assist sponsored delegates with their participation in meetings, and communication costs associated with the sponsorship programme.
12. A member of the Management Committee that applied for sponsorship of a delegate cannot take part in the decision making of the Management Committee regarding sponsorship for that ATT meeting.

Operation of the ATT Sponsorship Programme

Contributions

13. The ATT Secretariat will issue a call for voluntary contributions to the ATT sponsorship programme as required, and at least twice on an annual basis.

14. States Parties or other entities may donate to the ATT sponsorship programme throughout the year and may make pledges at a dedicated segment of each ordinary session of the Conference of States Parties.

14bis. Although there is a preference for as little earmarking of voluntary contributions as possible, States Parties or other entities may earmark their contributions to the ATT Sponsorship Programme.

15. The ATT Secretariat will keep a record of received contributions to the ATT sponsorship programme, and will inform States Parties of the amount of funds available for each series of CSP meetings.

Applications

The ATT Secretariat shall present all sponsorship applications to the Management Committee for consideration, highlighting the applications that have been shortlisted and explaining which ones were not shortlisted and why.
