Control Arms, the Permanent Mission of Costa Rica, and the Geneva Centre for Security Policy cordially invite you to a side event on:

## **Effective Implementation of the ATT: Lessons from around the world**

7 February 2020, 13:15 - 14:45

Palais des Nations, Room V

---

The objective of this side event is to share information, recent activities and events in support of effective ATT implementation around the world. Speakers will present lessons learned from specific international meetings and regional training events, and share outcomes, challenges, and questions for future consideration.

This event will be chaired by *Ms. Maricela Muñoz* - Permanent Mission of Costa Rica

Panelists include:

- *Lt Col P M Hainyanyula* - Government of Namibia - will discuss progress made during the first session of the Control Arms 2019 ATT Academy in southern Africa, which took place in 9-12 December in Windhoek, Namibia.
- *Ms. Rachel Stohl* - Stimson Center - will speak about trainings conducted around the world and resources produced to support the effective implementation of the ATT.
- *Mr. Marc Finaud* - Geneva Centre for Security Policy (GCSP) - will share information on their Geneva-based training programmes for diplomats, which provide a detailed exploration of all Treaty articles.
- *Ms. Elizabeth Kirkham* - Saferworld - will highlight outcomes and priority areas of work which emerged from discussions at the Eighth ATT Expert Group Meeting, which took place on 22 & 23 January 2020 in Dublin, Ireland.
