|                     |   |
|---------------------|---|
| <b>Title:</b>       | The Future of Armed Drones in Export Controls   |
| <b>Organizer:</b>   | PAX, Stimson Center   |
| <b>Room:</b>        | Room 5  |
| <b>Speakers:</b>    | Wim Zwijnenburg, Rachel Stohl   |
| <b>Start time:</b>  | 8.30; Breakfast provided  |
| <b>Language:</b>    | English   |
| <b>Focal point:</b> | Wim Zwijnenburg   |
| <b>Description:</b> | <p>In order to address the growing interest to develop, acquire and use armed drones, several initiatives have been undertaken to address concerns over the use and rapid proliferation of drones. This breakfast meeting will describe the recent developments and ongoing multilateral discussions around potential international standards on drone use and export that are relevant for Arms Trade Treaty implementation.</p> |
